Mot de l'éditeur

10 ans déjà depuis la sortie du dernier film de notre saga favorite au cinéma. Depuis, beaucoup de choses ont changé, mais notre passion pour cette galaxie lointaine qui existait il y a très très longtemps a quant à elle à peine diminué.

C'est cette même passion qui nous rassemble ce soir, encore une fois, afin de célébrer cette Force qui nous unit. Merci de vous joindre à nous pour le début de cette nouvelle partie l'histoire de notre passion.

10 years have passed since the last Star Wars Movie came out in theaters. Since then a lot of things have changed, but our passion for this far far away galaxy that existed a long time ago barely diminished.

It's this same passion that brings us together tonight, once again, to celebrate the Force that unites us all. Thank you all for joining us and being part of this new chapter in the history of our fandom.

Notre raison d'être

Ce soir, nous amassons des fonds afin de venir en aide aux enfants malades. Tant en aidant à la recherche qu'à la réalisation de rêves. En vous procurant votre billet pour l'évènement de ce soir vous avez donc contribué à encourager *La Fondation Fais-Un-Voeu Québec* avec laquelle la 501^e Légion travaille fort chaque année. Nous ferons aussi une donation à *La Fondation CHU Sainte-Justine* afin de soutenir les enfants malades du Québec et d'aider à la recherche contre les maladies insidieuses.

Tonight we're raising funds to support children fighting against insidious diseases. Both research and the realization of dreams were important to us, when you purchased your ticket for tonight's event, you supported both the Make-A-Wish Foundation and the CHU Sainte-Justine Foundation, two charities the 501st legion worked alongside during the past year here in Quebec.
